PUBLISHED WEEKLY IN CANAL POINT BY PAUL RARDIN

CIRCULATING THROUGHOUT THE VAST AGRICULTURAL AREA OF PALM BEACH COUNTY

Garden Club Names Mrs. Kennedy, Pres.

Mrs. Norman A. Kennedy was elected president of the Pahokee Garden Club at the March meeting held Tuesday morning at the home of Mrs. J. S. Chastain with Mrs. J. T. Platt, retiring president, presiding.

Other new officers elected were Mrs. Curtis Chase, vice president; Mrs. Robert B. Simonson, recording secretary; Mrs. W. A. Keen, corresponding secretary, and Mrs. J. S. Chastain, secretary. The nominating committee which selected the new slate of officers was composed of Mrs. J. M. Elliott, Mrs. O. R. Bleech and Mrs. Robert J. Schroder.

The club voted to require all applications for club membership to include dues for one year in advance. It was also voted to request that the city place the fish pond on the city hall grounds under the supervision of the city parks supervisor.

Mrs. C. C. Lemonds was named chairman of a special committee in charge of organizing a local unit of the National Corgie Club within the Pahokee Garden Club. She will be assisted by Mrs. John T. Pickett.

Mrs. C. L. Shirley, civic improvement chairman, reported that the Ixora hedge which was removed from Ixora Park to allow for the widening of Lake Avenue has been replanted along Lake Park Drive bordering the new extension of Ixora Park. A bombax flowering tree and 24 large crotons have also been planted in the park extension, she said.

Mrs. W. S. Evans presented the program, consisting of a talk on "The Gloriosa Lily." Mrs. R. W. Sanders opened the meeting with an original prayer poem. Tubers of the Gloriosa Lily were won by Mrs. Carl Kolstad, Mrs. R. B. Simonson and Mrs. Martha Suggs.

Hostesses at the noon luncheon which followed the meeting were Mrs. R. W. Sanders, Mrs. L. L. Shirley and Mrs. F. M. Shaughnessy.

Bill Williams Is Named Rotary Pres

C. E. (Bill) Williams was nominated for president of the Pahokee Rotary and his name presented to the club at yesterday's meeting by members of the nominating committee. Election of officers will be held next week when a successor will be chosen to succeed Robert Apelgren who has been serving during the past year. New officers will take office July 1.

Named to fill other places on the official roster were W. K. Aldridge for vice president and Robert O. Lampi as secretary-treasurer. Directors named on the slate were Robert Apelgren, Dr. E. C. Johnson, Sam Humphreys and Ernest Parnell.

The Florida Farm Bureau says about 110,000 acres of crop land have been converted to non-farm use during the past 10 years. The uses include subdivisions, industrial expansion, parks, airports and highways.

Farm Bureau In Spring Meeting

The annual spring district meeting of the Florida Farm Bureau was held at the Community Building in Canal Point on Monday of this week with E. H. Finlayson, of Greenville, Fla., president, as featured speaker. Members were in attendance from half a dozen counties other than Palm Beach.

Pahokee Hi School Band Is Superior

Pahokee High School Band Director Robert O. Lampi and his minions of music received superior ratings again Wednesday afternoon when they did their stuff before three visiting judges at the high school in Pahokee. It is habit with the Lampi-taught band outfit to win such ratings and one of these days when they don't rate that high folks will be disappointed. The judging was a part of the district contest.

In concert work the band was rated superior on all three selections and gained the same rating on sight reading. Student Conductor Gerda Faye Russom received an excellent rating for her splendid work. And, of course, the band's marching came in for a superior rating, as everyone knows they are entitled to for their outstanding work in this division.

Negro High School Coming To Pahokee

Thurmond W. Knight, School Board Member, this week announces that the School Board has agreed to expand the East Lake Elementary and Junior High School into a Senior High School in Pahokee. This move according to Mr. Knight will provide a complete high school program for Negro citizens of the North end of the Glades area.

He said that present plans call for building four more rooms at the East Lake School before the start of school next September. Two rooms will provide extra space for the rapidly expanding elementary and junior high grades. Two rooms will provide facilities for the senior high school expansion program at East Lake.

The tenth grade will be added next year and the following year the program will be expanded into a full Senior High school by adding the eleventh and twelfth grades, Mr. Knight concluded.

TO NAME PTA SLATE

Floyd Erickson, Mrs. W. E. Johnson and Mrs. Alma Burr have been named on a nominating committee to recommend a new slate of officers for the Canal Point Parent-Teacher Association and make a report at the April 6th meeting of PTA.

Garden Club Meet At Rardin Home

The Canal Point Garden Club met with Mrs. Paul Rardin at the Rardin home in Canal Point yesterday afternoon with Mrs. O. H. Chastain as co-hostess. The meeting was under the direction of the president, Mrs. G. H. Tucker. Mrs. Ruth V. Meredith, Pahokee parks superintendent, talked on "Growing Amaryllis." Mrs. Rardin and Mrs. Chastain served refreshments.

Methodist Revival Starts March 29

Rev. Robert Shelley, pastor of the Canal Point Methodist Church, announces a revival to start at that church on Sunday night, Mar. 29, with Rev. Austin G. McGoig, St. Petersburg, as the visiting evangelist. He is a dynamic speaker.

Singing for the meeting will be under the direction of Rev. M. V. Lewis, of Tampa. Rev. and Mrs. Lewis have worked together as pianist and song leader and have been outstanding in their work with children.

Services are scheduled to start promptly at 7:30 o'clock, according to the local pastor. He extends a cordial invitation to one and all to be in attendance during the revival and hear the splendid sermons to be delivered by Rev. McGoig.

35 Years Doing One Thing Rather Well

Time flies! At least it seems that way when you are engaged in the newspaper business. Here at The Everglades News 35 years have rolled around and we are well on the way into another year since this palladium of the family fire-side first found its way into the homes of residents of Western Palm Beach County. This newspaper was founded on March 11, 1924 by Howard Sharp, who had been a reporter on The Palm Beach Post.

Mr. Sharp operated the paper for nine years and in 1933 sold his interests to Keathley Bowden of Clewiston who at that time was operating the Moore Haven Democrat and The Clewiston News. It was a year later, in 1934, that Paul Rardin who was working on the Moore Haven paper, came to Canal Point as managing editor of The Everglades News under Mr. Bowden. Three years later, in 1937, Mr. Rardin purchased The Everglades News from Mr. Bowden and has been owner-operator of the paper since that time. Mr. Rardin will complete 25 years on the local newspaper in August of this year.

In February of 1935, J. T. Platt, present mechanical superintendent of the printing plant, came to work on this newspaper from Moore Haven where he had been working for a few months after spending some time in St. Petersburg and in his home town of Perry, Fla., doing newspaper work. He will complete 25 years on The Everglades News the first of next February.

Honestly believing in the paper's motto: "The truly distinguished mind prefers the provinces." Owner-Publisher Rardin has stuck closely to the idea of producing a typical country weekly newspaper, leaving all the scoops and "hot news stories" to TV, radio, and the dailies of the state, sending out each week a weekly paper filled with strictly local news of schools, churches and personal items about the comings and goings of folks who live in and make up the communities served by the paper.

Come August and completion of 25 years at the helm of this newspaper, Editor Rardin is looking forward to another quarter century of service to the thousands of fine folks here on Lake Okechobee who have helped to make operation of the newspaper a complete success since the day he came to make his home among them.

Roy Michael Tells Routes About Roads

County Commissioner Roy E. Michael, Jr., of Lake Worth spoke before Pahokee Rotarians yesterday at noon at the regular luncheon meeting. The visiting official chose for his subject: "Roads and Highways Financing in Florida." Mr. Michael, who is well versed in state and county road financing, explained meticulously how each type of road is financed and pointed out the intricate working of the plan under which money is set aside for each type of expenditure. C. C. Lemonds, program chairman for the day, was in charge of the program and introduced Mr. Michael.

Canal Point Lions Celebrate Founding Of Club 10 Yrs. Ago

Members of the Canal Point Lions Club and their wives gathered Monday night at the Community Building to celebrate the Tenth Anniversary of the founding of the club. State's Attorney Phil D. O'Connell of West Palm Beach was the featured speaker of the evening and a bountiful dinner was served to those in attendance.

Lion President Hylan H. Sears presided over the meeting and presented an interesting program during the evening. Songs were led by Lion Osceola Upthegrove with Lion M. M. Martin, Jr., at the piano. Canal Point School Principal W. W. White was master of ceremonies.

Lions District Governor Victor H. Semet of Margate, Florida was in attendance and expressed his admiration for the continuous good work being done by the local organization. Perfect attendance pins were given to thirteen members of the club as follows: Grady Echols, Floyd Erickson, Albert Fremd, A. R. Harrington, Gauden Harrington, D. L. Hooks, Alton Jones, M. M. Martin, Jr., J. W. Repper, H. H. Sears, P. A. Slonaker, Osceola Upthegrove and J. G. Weeks. Having completed twelve months of perfect attendance the above mentioned were commended by the District Governor and other officials.

A. R. Harrington received a pin denoting fifteen years of perfect attendance, having been a member of the Pahokee Lions Club for five years before inception of the local organization.

In his usual inimitable manner State's Attorney O'Connell kept the crowd laughing for several minutes before he launched into a serious speech in which he described the lackadaisical manner in which parents handle their children in this day and age. He told his listeners that he spoke from a parent's point of view since he had a son in the University of Florida and a daughter in West Palm Beach High School. He pointed out the extreme need for parents to understand their children and to use firmness in dealing with them. His speech met the sincere approval of all in attendance was signified by a hearty round of applause upon its conclusion.

District Governor Semet in his complimentary remarks to the local club sighted International accomplishments of Lions also. He said that 175,000 charity projects around the world had been accomplished by Lionism since its inception a few years ago. He also sighted the fact that there are more Lions Clubs in the world than any other service organization.

Lion A. R. Harrington gave the past history of the Canal Point Lions Club and sighted its accomplishments during the past ten years, outstanding accomplishments being the inauguration of the street lighting system in Canal Point. Past Deputy District Governor M. I. Keen of the Pahokee Club was called upon to introduce the past presidents of the

Canal Point Club. Past presidents introduced were: A. R. Harrington, B. T. Vorhees, Floyd Erickson, Albert Fremd, D. L. Hooks, Alton Jones, Osceola Upthegrove, J. H. Sheppard, J. W. Repper and the presiding president H. H. Sears.

Among those in attendance other than the speakers and the wives of Lions were the following: W. C. Buchanan, Deputy District Governor of Fort Lauderdale, Pahokee Lions Club President, and Mrs. Robert Simonson; Zone Chairman J. H. Wilkinson and Mrs. Wilkinson, Mr. and Mrs. M. M. Martin, Sr., of Okeechobee, M. G. Barad, father of Lion Arnold Barad of Canal Point. Another presentation was made by President Sears and that was to "Old Monarchs" and "Charter Monarchs." Charter Monarchs receiving a token service chevron were: Grady Echols, Albert Fremd, Floyd Erickson, D. L. Hooks, A. R. Harrington, A. W. Jones, Paul Rardin, J. W. Repper, C. H. Sheppard and Osceola Upthegrove. Old Monarchs receiving recognition were: J. G. Weeks and Grady Boynton.

Delectable food for the occasion was prepared by the women from the Church of God of Prophecy of Pahokee. The menu consisted of fried chicken, chicken and dumplings, baked ham, potato salad, green vegetable salad, green beans, hot rolls and butter, fresh corn on the cob, tea and coffee, lemon pie and ice cream for dessert.

PTA Conference Vero Beach Mar. 24

The annual conference of District 11, Florida Congress of Parents and Teachers, will be centered around the theme, "Our First Concern—The Public School, Democracy's Prerequisite" and will be held in the Royal Park Inn, Vero Beach, Florida, on Tuesday, March 24.

Registration will begin at 9:30 a. m., and at 10:00 a. m. the gavel of J. W. von Stein, President of the district, will call the meeting to order.

After the pledge of allegiance and the singing of the national anthem, Mrs. Grover Angell, Character and Spiritual Education Chairman of the Florida Congress, will lead the devotion.

Greetings will be extended by J. A. Thompson, Superintendent of Indian River County Schools, and Mrs. Metá Chesser, President of the Indian River County Council P. T. A. Response to the greetings will be made by Merton Sirota, First Vice-President of District 11.

Highlight of the morning session will be an address by Mrs. C. W. Johnson of Tampa, President of the Florida Congress of Parents and Teachers, on "What The Public Schools Mean to America."

The remaining portion of the morning agenda will be devoted to a discussion by Mrs. W. L. Mussett, immediate past president of the Florida Congress and its present Legislation Chairman, on "Legislative Problems Facing The 1959 Florida State Legislature", and the presentation of Life Memberships.

A symposium on "How We Can Help Maintain Florida's Public Schools" will be the feature of the afternoon session.

Moderator of the symposium will be Mrs. Angell. Participating will be four members of the Board of Managers of the Florida Congress: Mrs. Frank Meyers, State

Health Chairman, discussing "The Right of the Student to Learn and the Teacher to Teach"; Mrs. Johnson, "Re-evaluating Our Educational Goals and Techniques"; Herbert Kip, State Public Relations and Publicity Chairman, "Maintaining Community Respect for Education"; and Mrs. Mussett, "Influencing Legislation Affecting Our Schools."

The meeting will come to a close with the singing of "America" and a few announcements, with a deadline of 2:00 P. M. for adjournment.

Sebring Races To Attract Crowds

SEBRING—Why America's only world championship sports car race is held each year in the small central Florida resort area of Sebring puzzles many of the uninitiated.

In little more than eight years, the Sebring 12-hour endurance race for the Amoco trophy has zoomed to recognition as one of the great races of the world. The classic contest this year gets underway at 10 a. m., Saturday, March 21, with a \$13,000 pot of gold waiting in Victory Lane.

The Sebring Air Terminal was originally selected as the race site because it was secluded. At that time, spectators were welcomed, but not sought after. Sports car enthusiasts raced for their own enjoyment, the satisfaction of testing and proving the best in hand-crafted mobile power.

Shortly after the second world war, sports car road racing was established on an organized basis with the formation of the Sports Car Club of America. Altec Uman, an international aircraft businessman, was the first Contest Board chairman of the SCCA.

Uman found this site at Sebring, quite by accident, when he visited the deactivated World War II bomber base in connection with his international aircraft business.

The international race later gained world championship status and has continued to grow in size and recognition, with annual attendance pushing toward six figures.

Top Politicians At Winter Haven

WINTER HAVEN—Two of the nation's top political figures will address Florida's agricultural leaders here during the Florida Citrus Exposition.

State Representative Ben Hill Griffin, Jr., president of the industry-sponsored show has announced that both U. S. Senator Clair Engle of California, and U. S. Senator Stuart Symington of Missouri, will address more than 600 persons here at the Agricultural Day banquet Mar. 13.

Griffin also announced that Governor LeRoy Collins will head Florida's congressional delegation of U. S. Senator Spessard Holland and U. S. Senator George Smathers to the banquet.

It is the first time the Florida Citrus Exposition has ever gathered so many top-ranking political leaders at one time.

Vanguard Busy Circling Earth

Orbiting at a speed of 18,000 miles per hour, the U. S. Vanguard I satellite, launched from Florida's Cape Canaveral, will have circled the earth 3,918 times by March 17, 1959, when it completes its first year in outer space.

Launched on St. Patrick's Day last year, the satellite has more than fulfilled original expectations—thanks in part to two Bell Laboratories inventions, the solar battery and the transistor. Both play major roles in the collection and transmission of information from the satellite to receiving stations on the earth. Signals are sent to earth by a transistorized transmitter, which is powered by solar batteries. These signals are still as strong as those sent a year ago. (Another transmitter, which was powered by chemical batteries, has long since ceased to function.)

The life of Vanguard I has been estimated at about 2,000 years. Earlier estimates were for some 200 years, but additional data and calculations recently led scientists to revise their predictions.

With the launching of a second Vanguard satellite on February 17, the U. S. now has four satellites up in the company of Russia's Sputnik III. Transmission equipment in Vanguard II contains four diffused base germanium transistors designed by Bell Laboratories and manufactured by Western Electric.

Research To Aid Shrimp Industry

MIAMI—A recent research project studying the shrimp industry of Florida may lead to increased profits with less labor for the shrimpers and processors.

The First Research Corp. made time and motion studies of the industry and has come up with recommendations for changes in shrimp boat equipment and layouts of processing plants.

The research firm made the study for the U. S. Fish and Wildlife Service. It said most of the changes were minor, but should add up to a quicker and less costly operation.

Ralph Maxwell To Chicago School

Ralph Maxwell and O. K. Carr of Pahokee left Tuesday for Chicago where Mr. Maxwell will enter a Veterans' School for the blind. His eyesight has been failing rapidly since World War II and the schooling he will receive at the Chicago institution will be of a rehabilitation nature. He will be there for several months. Mr. Carr, who is accompanying Mr. Maxwell on the trip, will visit his son, Johnny who lives in Chicago.

Mrs. George Hostess To T.E.L. S.S. Class

The T. E. L. Sunday School class of the Canal Point Baptist Church held their monthly meeting at the home of Mrs. M. F. George. Mrs. Charles Stewart gave the devotion on "What Easter means to Women" using verses from the Bible that described the ministry of women at the Crucifixion and Resurrection of Jesus.

The social part of the program was games and contest with the St. Patrick Day theme. Coffee and cake were served by the hostess. The next meeting will be April 20 at the home of Mrs. Ray Hawk.

Art Exhibit Is Scheduled Sunday

The Omicron Chapter of the Sigma Eta National Fine Arts Society will hold its annual spring Art Exhibit in the Community Building at Canal Point Sunday, Mar. 22, from 2:30 to 5 p. m. The exhibit will include oil paintings, ceramics and other art work by artists of the Glades area. The public is invited to attend this free exhibit. Refreshments will be served.

Betty Mills Circle In March Meeting

Mrs. Wendell Harris was hostess to members of the Betty Mills Circle, Pahokee Baptist Woman's Missionary Society, at the March meeting held at her home, 346 Bacom Point Rd. The program, "Woman's Missionary Union and Foreign Missions," was presented by Mrs. Harris Folds, assisted by Mrs. Leland Shirley, Mrs. Julian Branch, Mrs. Wallace Barnes and Mrs. Paul Tillery. It was announced Mrs. Leland Shirley will be hostess at the March meeting at her home.

SCOUT GATHERING

Members of Pahokee Girl Scout 163, accompanied by their leaders, Mrs. Hugh Branch and Mrs. Ed Carver, attended the Juliette Lowe Girl Scout In-Gathering at Belle Glade, where games and songs were enjoyed and film on "International Friendship" was shown. The Scouts carried their own nosebag suppers and were furnished drinks by the Belle Glade hostesses.

CARD OF THANKS

We wish to use the columns of The Everglades News to express our sincere thanks to the many friends who were so thoughtful and kind during the illness and death of our "Aunt Jody." We shall always remember the many fine gestures of kindness and the many floral offerings. May the Lord bless each and everyone of you.
THE UPPEGROVE
FAMILY

CARD OF THANKS

I wish to express my deepest appreciation for the kindness shown me during my recent illness. I'm so grateful for the prayers, visits, cards, flowers and gifts. These things will always be remembered. May God bless each of you.
Mrs. Susan Taylor.

CANCER'S

7 DANGER SIGNALS

- 1 Unusual bleeding or discharge
- 2 A lump or thickening in the breast or elsewhere
- 3 A sore that does not heal
- 4 Change in bowel or bladder habits
- 5 Hoarseness or cough
- 6 Indigestion or difficulty in swallowing
- 7 Changes in wart or mole

If your signal lasts longer than an week, consult your doctor to learn if it means cancer.

Salute to FLORIDA COUNTIES

SITE OF THE WORLD'S LARGEST CITRUS PROCESSING PLANT

PASCO COUNTY
County Seat,
Dade City

Since its beginning in 1887, Pasco County has become noted for diversified agriculture, citrus, cattle and poultry. Rich in products, tradition and natural beauty, this citrus and cattle growing region, dotted with lakes and rolling hills, has 31 miles of almost undeveloped coastline... a natural fishing paradise that also provides commercial profits. Pasco ranks 2nd in egg production in Florida Counties. County Seat Dade City boasts the world's largest citrus processing plant. Each year, streams of tourists are attracted to the annual Pasco County Festival.

In progressive Pasco County, and throughout Florida, the United States Brewers Foundation works constantly to assure the sale of beer and ale under pleasant, orderly conditions. Believing that strict law enforcement serves the best interest of the people of Florida, the Foundation stresses close cooperation with the Armed Forces, law enforcement and governing officials in its continuing "self-regulation" program.

Pick your savings target and shoot straight for it!

A home . . . financial security . . . a business of your own. Important savings targets like these cost money—a substantial sum—and more than most of us have. But here's a sure way for you to score a bull's-eye and walk off with the big prize you want.

The secret of saving is system. And the simplest, most automatic saving system ever devised is the Payroll Savings Plan. Best of all, you do more than save through Payroll Savings. You invest your money, too, and make it grow. Here's how it works:

Tell your company pay office how much you want to save each week. Then each pay period that amount will be put aside for you *before* you have a chance to spend it. Your money will go automatically into U. S. Series E Savings Bonds.

Because Savings Bonds earn good interest—3% compounded semiannually when held to maturity (9 years and 8 months)—they're soon worth much more than you've invested in them. And your Bonds will continue to pay this same good interest as long as 19 years and 8 months. *That means a return of up to 80% more than you originally paid.*

And remember this. There's no guesswork or chance about the Payroll Savings Plan. It's absolutely safe and sure. Invest just \$7.50 a week. In 5 years you'll have Savings Bonds worth \$2053 in cash; in 10 years, \$4448.

Even if you've never been able to save before, this plan is guaranteed to work for you. So sign up today for Payroll Savings where you work—or invest in Bonds regularly where you bank.

For the big things in your life, be ready with U. S. Savings Bonds

The U. S. Government does not pay for this advertising. The Treasury Department thanks, for their patriotic donation, the Advertising Council and

The Everglades News

PAUL RARDIN, Publisher

*Uncle Sam made the bonds you own
an even better bargain!*

Now your maturing Series E Bonds can earn interest 10 more years at 3%

PRESENT TREASURY REGULATIONS make it possible for you to collect a return of as much as 80% on the Series E Savings Bonds you already own!

For now those Bonds which you invested in 10 years ago can go right on earning interest for ten more years without your doing a thing about it! That is true not only of the Bonds which you have held for ten years, but any other Series E Bonds which you have invested in in the meantime. And any Series E Bonds which you obtain now will also enjoy the extended earning period. They will start earning interest sooner and mature earlier, too, paying 3%, compounded semiannually.

The Bond you got for \$18.75 can now pay you \$33.67 . . . a \$37.50 Bond will be worth \$67.34 . . . and so on.

Of course, any Series E Bond may still be redeemed at any time after you have held it for two months. But, like any other form of saving, your Bonds will mean a great deal

more to you if you can hold on to them.

Are you one of the millions of Americans who are saving regularly with Savings Bonds through the Payroll Savings Plan? If you're not, why not start now? Invest regularly in Bonds through the Payroll Savings Plan where you work. Ask your pay office to save as little as 25c a week for you, or as much as you are able.

If you can save just \$5 a week regularly through the Plan, in five years you will have \$1,367.90 . . . in 9 years and 8 months, you'll have \$2,860.70 . . . and in 19 years and 8 months, \$6,872.45! This Plan is one sure way to save because it saves something out of every check before you have a chance to spend it.

So join the Payroll Savings Plan where you work today. Or, if you are self-employed, start the Bond-A-Month Plan where you bank. It's safe, it's sure, it's automatic. And you will be helping yourself and your country!

If you want to be paid
your interest as current income—
invest in 3% Series H

If you want a good, sound investment which pays you your interest by check every six months, ask at your bank about United States Government Series H Bonds. Series H is a new current income Bond available in denominations of \$500 to \$10,000. Redeemable at par after 6 months and on 30 days' notice. Matures in 9 years and 8 months and pays an average 3% interest per annum if held to maturity. Interest paid semiannually by Treasury check. Series H may be purchased at any bank, annual limit \$20,000.

Now even better! Invest more in Savings Bonds!

PERSONAL NEWS NOTES

Mr. and Mrs. M. M. Nicely had as guests the past week Mrs. Carrie Stahl and family and Mrs. Stahl's mother of Pennsylvania.

Mrs. Lon Wilson and daughter, Linda, have returned from a visit with Mrs. Wilson's daughter, Mrs. Elmer B. Elliott, in Lakeland.

Mrs. Della Morgan has returned to her home in Homestead after a visit with her son and daughter-in-law, Mr. and Mrs. Altman E. Morgan, in Pahokee.

Mr. and Mrs. E. F. McIlwain had as recent guests their son and daughter-in-law, Mr. and Mrs. Chandler McIlwain of Fort Lauderdale.

Mr. and Mrs. Robert E. (Buddy) Hewell have returned to West Palm Beach after visiting his father, Jack Hewell, at Canal Point and his grandparents, Mr. and Mrs. R. H. Hewell and attending the funeral of his mother, Mrs. Barbara Hewell. His grandfather is a patient at the Everglades Memorial Hospital.

Dr. and Mrs. Roland R. Long and Dr. Sasser Watson left the past weekend to attend the annual Hinman Dental Clinic at Atlanta, Ga.

Mr. and Mrs. W. M. Johnson returned recently from Jacksonville where they were called by the illness of her father, J. J. Graham.

Mr. and Mrs. C. L. Shirley had as a guest the past week her brother, R. W. Burks of Griffin, Ga.

Mr. and Mrs. Norman A. Kennedy expect to have as a guest this week Mrs. Elizabeth Powers of New Kensington, Pa.

Richard Shackford and Willie Veal, Pahokee High School Seniors, were recent visitors at Furman University, Greenville, S. C.

Dr. and Mrs. Wilburn C. Young had as recent guests her brother and sister-in-law, Mr. and Mrs. Winfield Mitchell, and brother-in-law and sister, Mr. and Mrs. George Volz, all of Aberdeen, Md.

Mr. and Mrs. Otis Usher had as recent guests her sister, Mrs. Eva Bell of Reidville, Ga.; also Mr. Usher's sister, Mrs. Eva Quinn of Lyons, Ga., and her son-in-law and daughter, Sgt. and Mrs. Theodore Clark of Campbell, Ky.

Mr. and Mrs. J. H. Bordeaux had as guests the past week his brother and sister-in-law, Mr. and Mrs. L. Bordeaux of Ridge Farm, Ill.

Miss Lulu Barfield had as guests over the weekend her brother, Charles R. Barfield, and his daughter, Mrs. E. H. Whitehouse, of West Palm Beach.

Mrs. A. B. Collins was a patient at the Everglades Memorial Hospital the past week.

Mr. and Mrs. R. J. Schroder, accompanied by his sister-in-law, Mrs. Helen Schroder, visited their son and daughter-in-law, Mr. and Mrs. Robert W. Schroder, at Hypoluxo Sunday.

Mr. and Mrs. Hugh Branch have as guests her parents, Mr. and Mrs. F. M. Sanford of Newark, N. Y. They also had as recent guests Mr. and Mrs. L. Sloan of Louisville, Ky.

Joe Parker who is stationed at the Naval Base in Jacksonville spent the weekend with his parents, Mr. and Mrs. J. P. Parker in Canal Point.

Mrs. C. L. Stuart returned to her home Tuesday after being a patient in the Good Samaritan hospital for the past week.

Mrs. Fannie Todd has returned home from St. Mary's hospital after undergoing eye surgery.

Mr. and Mrs. Charles Sears and family of Atlanta, Georgia are spending the spring holidays with their parents, Mr. and Mrs. H. H. Sears and Mr. and Mrs. Homer Barnes.

Mrs. Earl Maxson, Mrs. Pope Sears, Mrs. Leonard Maxson, Mrs. Bill Johnson, Mrs. Elmer Maxson and Mrs. Eustise Blackwell attended the W. S. C. S. district meeting in Lake Worth Monday.

Mr. and Mrs. R. J. Maxson and Mr. Scroggin visited friends the past weekend in Eau Gallie.

Troy Martin of Canal Point was admitted to the Everglades Memorial Hospital Wednesday night for treatment of a severe arm injury.

HOME FROM GEORGIA

Mrs. Prentice Turbeville returned the past week from Dublin, Ga. where she spent several days visiting her parents, Mr. and Mrs. T. E. Fowler, during the illness of Mr. Fowler. Mrs. Turbeville's son and daughter-in-law, Mr. and Mrs. Billy Turbeville, accompanied by his father and sister, Cynthia, motored to Dublin to bring her back to Canal Point.

JAYCEES RAISE FUNDS

The Pahokee Junior Chamber of Commerce is sponsoring local distribution of the "All-Sports Almanac for 1959" to raise funds to complete payments for the new scoreboard at the Pahokee High School gymnasium, Julian Snyder is chairman in charge of the project.

FLORIDA LOBSTERS ARE IN SEASON

Florida lobsters are available in season and since they supply high quality proteins, vitamins and minerals, we should eat them often. They are served boiled or broiled in the shell. Cooked meat may be used in cocktails, salads, chowders, main dishes and sandwiches. Lobsters should be alive at time of cooking. They turn red and the meat is white with tinges of red when cooked. Whole cooked lobsters may be purchased in the markets.

The Florida Development Commission says a total of 647,890 tourist-operated cars came into Florida during January. A recent survey conducted by the State Road Department showed car occupancy average was 2.5 persons.

VISITS IN SARASOTA

Mrs. Catherine Sturdevant of Utica, N. Y., who has been visiting Mrs. Lizzie Kirkey and Mr. and Mrs. Phil B. Williamson at Canal Point for several weeks, left Wednesday for a brief visit with friends at Sarasota before returning to her home.

PLAN CAMPING TRIP

Boy Scout Troop 624, of Canal Point, plan to go on a camping trip this weekend at the Sand Pits. The troop was going on a camping trip last weekend but it was cancelled.

Christian Science Group Of Canal Point

The effectiveness of prayer in healing the sick will be stressed at Christian Science services Sunday in the Lesson-Sermon entitled "Matter."

From the Gospel according to St. Mark will be read the healing by Christ Jesus of the young lad who had "a dumb spirit." The account ends with Jesus' comment to his disciples, "... This kind can come forth by nothing, but by prayer and fasting" (Mark 9:29).

Also emphasizing the power of prayer are passages from "Science and Health with Key to the Scriptures" by Mary Baker Eddy, including the following (15:9): "To enter into the heart of prayer, the door of the erring senses must be closed. Lips must be mute and materialism silent, that man may have audience with Spirit, the divine Principal, Love, which destroys all error."

Methodist Launch Fund Raising Plan

Members of the Pahokee First Methodist Church have launched a fund-raising program that will extend over a 10-week period and culminate in an "Every-Member Canvass." The special committee in charge of the canvass included Lloyd Hundley, general chairman; Dr. R. C. Lane, visitation chairman; William S. Plumer, resources chairman; Ralph O. Johnson, training chairman; Paul Dinnis, materials chairman, and John D. Rogers, church finance officer. This comprehensive canvass, which requires more than 75 workers has been used by churches in other districts of Florida but this is the first time for a church in the West Palm Beach District of Methodist Churches to use it, according to the Rev. Clare S. Hall, pastor.

RELEASED FROM ARMY

Jack Sims has been released from the U. S. Army after 18 months of duty on the Hawaiian Islands and is now with his parents, Mr. and Mrs. A. M. Sims, at Canal Point.

B. Elliott Has A Birthday Party

Mr. and Mrs. Lee Wroten entertained at their home, 240 Bacom Point Rd., with an outdoor party and barbecue honoring her father, E. Elliott, of Fort Pierce on his birthday anniversary. Other guests were Mrs. E. Elliott of Fort Pierce, Mrs. J. B. Elliott of Fort Lauderdale, Ronnie Elliott of Lakeland, Miss Jody Burr of Winter Haven, Elmer B. Elliott of Lakeland, Wayne Elliott and Mr. and Mrs. Walter Boatwright of Pahokee.

Miss Jody Burr of Winter Haven was a guest of Mr. and Mrs. Lee Wroten in Pahokee over the weekend.

Ramey's Daughter Student Teacher

Mrs. Hugh G. Miller III, (Miss Phoebe Ramey) daughter of Mr. and Mrs. George B. Ramey of Pahokee, is now doing student teaching at Blowing Rock High School, Blowing Rock, North Carolina.

Mrs. Miller is taking part during the spring quarter, March 9, 1959 through May 22, 1959 in the student teaching program of Appalachian State Teachers College, Boone, North Carolina. In this program students devote approximately twelve weeks to student teaching in the field for which they have been preparing. Mrs. Miller is teaching General Science, Biology and Civics under the supervision of Mrs. Sam Greer.

As part of the student teaching program, the Appalachian student usually lives in the community near the school and participates in community activities as well as in school activities. The student devotes full time in the school and gradually takes over the full teaching load, always under the supervision of the supervising teacher and the principal.

The local school's participation

with Appalachian's student teaching program is a valuable asset to the general education program of North Carolina. Phoebe Ramey Miller graduated from Pahokee High School in 1955.

Mr. and Mrs. James Carter (Patricia Strickland) of Canal Point announce the birth of a daughter, Judy Edith, at the Everglades Memorial Hospital, Mar. 16.

Mr. and Mrs. George Rozelle of Columbia, Tenn., announce the birth of a son, Martin Reginald, Mar. 4. Mr. and Mrs. Frank Rozelle of Pahokee are the paternal grandparents.

Lt. and Mrs. Jack Geckler of Laredo, Texas, announce the birth of twins, a son and a daughter, Mar. 6. Postmaster and Mrs. Edward A. Jensen of Pahokee are the maternal grandparents and Mr. and Mrs. William H. Geckler of Belle Glade, the paternal grandparents. Mrs. Jensen left the past week for a visit with her daughter and family at Laredo.

"electric range
 is much safer
 with small children"

Mrs. M. Auerbach, 254 Hibiscus Ave., Stuart, is really proud of her newly remodeled all-electric kitchen and laundry, equipped with electric built-in oven and range, hot water heater, refrigerator-freezer, automatic washer-dryer and plenty of work-saving appliances. She says: "I feel that my electric range is much safer to use with small children in the house. I enjoy my electric appliances because they are cleaner to use and very convenient. Electric power is always available and ready for instant use."

for less work, more fun...

join the
SWING TO ELECTRIC COOKING

Electric cooking is white-glove clean. No soot, no greasy film. No scorched pots and pans. Housekeeping's easier... kitchens stay 8 to 16 degrees cooler.

Food tastes better, because flameless electric cooking is practically "waterless" cooking. Seals in all the goodness.

Flameless electric cooking is the safest ever. No constant-burning pilot lights.

And, remember... Sunshine Service is the budget's biggest bargain. It's cheaper to go all-electric in the kitchen-laundry than to use a combination of fuel.

Live better

a castle in the air costs nothing
—but you can't live in it!

Make your dream house come true! It's easy
—through Payroll Savings!

If you think you can't own the home of your dreams because the down payment's too steep, chances are you've never tried the Payroll Savings Plan. Because this is the easy, automatic way to meet any down payment—for a house or any large purchase.

Just do this: Sign a Payroll Savings application at your pay office, naming a certain sum to be kept aside from your pay before you get it each week—a few dollars or as much as you want. After that, you're saving automatically—nothing to worry about, nothing to do. And, best of all, the money saved out of your pay each week is automatically loaned for you in U. S. Series E Savings Bonds.

Become Savings Bonds earn child interest—3% cumulative semiannually when held to maturity.

—the few dollars saved from your pay each week soon grow into big generous amounts. For instance, if you sign for \$12.50 a week, in just five years you'll have \$3,348.95 cash. In 9 years, 8 months, you'll have \$7,217.30!

So don't let down payments get you down. Meet your needs for ready cash the way more than 8 million other Americans are meeting theirs—join the Payroll Savings Plan today. Or, if you're self-employed, invest in Bonds regularly where you bank. Start now to make your dreams come true!

If you want your interest on current income, ask your bank about Series H Bonds, which pay dividends annually by Treasury check.

Choose your own savings goal

	If you want approximately		
	\$5,000	\$10,000	\$25,000
Save each for 9 years and 6 months, save.....	\$5.00	\$10.75	\$26.00
Save each for 9 years and 6 months, save.....	\$5.75	\$17.00	\$40.75

This chart shows only a few limited examples of savings goals and the amounts that would be required to reach them. For more information, contact your local Savings Bonds Office or the U.S. Treasury Department, Washington, D.C. 20548.

PAUL RARDIN, Publisher

Education Cost To Be Deducted Under Rogers Bill

Congressman Paul G. Rogers today introduced legislation which would permit income tax deductions for certain payments made and expenses incurred in providing or securing higher education. Specifically, the Rogers bill would permit persons with dependents in college on a full-time basis, an additional deduction not to exceed \$500 for money expended on tuition, books and ordinary living expenses.

An equally important feature of the measure is that it would permit the full-time student who is himself a taxpayer the same \$500 deduction for college expenses.

Deduction provisions are also made for the part-time student taxpayer based on the number of semester or quarter hours of work carried. This feature was included for the benefit of those students working their way through college who do not qualify as full-time students.

Another provision would allow the taxpayer to deduct any amount paid during the taxable year to an institution of higher learning to be used to provide scholarships. Commenting on the need for such legislation, Rogers stated, "During the past few years much has been said of the failure of our high school graduates to pursue upper level education in science and technology so as to enable the United States to compete on an even footing with other nations in this highly technical age. While we all agree that this continued failure could cause irreparable harm to our national well being, we cannot afford to minimize the importance of other phases of higher education. A well rounded education is much more important now than it ever was. Although there is a tremendous need for scientists and technicians, there is also an increasing need for teachers, lawyers, accountants, nurses, home economists, and others too numerous to mention. In short, it is of paramount importance that our young people be well educated, whether it be a technical education or otherwise."

"The sad fact is that only 1 out of 2 qualified high school students enroll, not graduate, but enroll, in college. In the great majority of these cases, the reason given for not doing so is lack of finances. Our national interest dictates that we formulate some plan to encourage college attendance. To be sure, there are scholarships and loan programs available on both the state and national level. These devices have helped meet the problem but the fact remains that there are countless thousands of potential college students who still need help."

"The bill provides encouragement in the form of a tax relief rather than direct federal aid. The relatively small loss of revenue which will result if it is enacted will be more than off-set if we dedicate ourselves to the task of finding ways of paring down non-essential federal spending."

Singers Will Meet At Hooker's Point

The Glades Singing Convention will meet on Sunday, March 22 for an All Day Sing and dinner on the ground at the South Clewiston Baptist church at Hooker's Point near Clewiston. Plans call for the singing to start at 10:30 and continue through 4:30 p. m. Everyone is welcome. Old time gospel singing will prevail. Mrs. Andy Milliken who is secretary-treasurer of the Singing Convention says for singers to look for the sing sign leading to the church at Hooker's Point.

Five Circles Meet Monday Afternoon

The five circles of the Pahokee Methodist Woman's Society of Christian Service conducted separate meetings at homes of members Monday.

Mrs. Emma Wheeler was hostess to members of the Mabel Simonson Circle at the home of her daughter, Mrs. J. M. Elliott, with Mrs. Frank Friend, chairman, presiding. Mrs. J. V. Thomas spoke on "Christian Responsibility" and Mrs. C. W. Byrd told of Jane Mansfield's mission work with lepers in India. Mrs. M. P. Holman gave the devotionals from "Isaiah Speaks." It was announced Mrs. C. C. Lemonds will be hostess at the April meeting.

Plans for a fund-raising rummage sale were made by the Margery LaR Circle at the meeting with Mrs. Robert C. Hutton. Mrs. H. J. Anderson gave the program, "Missions in the Philippine Islands," and Chairman Dorothy Stanley presided.

A film on "World Council of Churches" was presented by Mrs. Kyle Scott at the meeting of the Miriam Circle at the home of Mrs. Leon Spooner. Mrs. Jimmy Moore, chairman, presided and Mrs. Scott assisted Mrs. Spooner as co-hostess. The group voted against the proposal to divide the membership of the night circles.

Mrs. J. M. Elliott, chairman of the Mary Martha Circle, was hostess to members of her circle at the meeting at her home. Mrs. J. T. Boynton was in charge of the program. Mrs. Hugh Branch and her mother, Mrs. Fred Sandford, of Newark, N. Y., were guests.

Mrs. Ruth V. Meredith, chairman, presided at the meeting of the Gertrude Shirley Circle at the home of Mrs. L. L. Shirley with Mrs. D. W. Cunningham assisting Mrs. Shirley as co-hostess. Mrs. E. D. Sims, Jr., presented the program, "World Council of Churches." This group also voted against the proposed division of night circle membership.

Florida's Silver Springs was even famous before the arrival of the white man as a shrine to the Indian Water Gods.

Lions Industries Worker Is Speaker

Eric Bellander, director of Lions Industries for the Blind in West Palm Beach, was guest speaker at the Tuesday luncheon meeting of the Pahokee Lions Club. Introduced by W. A. Reynolds, the speaker told how his group, by providing opportunities to work, assists with the rehabilitation of many blind persons. He had on display at the meeting several books, including the Bible, in Braille. To demonstrate the technique of this valuable form of writing the individual place cards for the luncheon were written in Braille.

President Robert B. Simonson appointed Ralph O. Johnson, J. H. Wilkinson, Jr., and D. W. Cunningham, all past presidents of the club on a nominating committee to recommend a new slate of officers. Miss Lulu Barfield was introduced as a guest.

Judy Shackford To Wed. H. Dermody

The engagement and approaching marriage of Miss Judith Kay Shackford, daughter of Mr. and Mrs. Willard R. Shackford of Pahokee, to Harry Emory Dermody, son of Mr. and Mrs. Harry Dermody, of Miami, have been announced by Miss Shackford's parents.

The bride-elect was graduated from Pahokee High School in 1957 and is also a graduate of the Charon-Williams Business College, Miami. She is now employed in the offices of the Miami law firm of Gillette and Pitts.

Mr. Dermody served for two years with the U. S. Army in Korea. At present he is associated with Holiday Unit Doors Manufacturing Co., Hialeah.

Plans are being made for an April 5th wedding at the Pahokee First Methodist Church.

PATIENTS AT HOSPITAL

Among the patients at the Everglades Memorial Hospital Wednesday were Mrs. Norma Clifton and Mrs. Opal Cross, Indiantown; Mrs. Ella Howell, John E. (Jake) Williams, Mrs. Patricia Carter, Judy Faith Carter and Brenda Dean, Canal Point; Mrs. Jessie Hughes, Pelican Lake; Lawrence Sullivan, Broward Bass, Shawn Collins and Mrs. A. E. Funderburk, Pahokee.

Mrs. Joyce Hyatt Weds Robt. Riddle

Mrs. Joyce Lovell Hyatt, daughter of Mrs. Dave M. Lovell of Pahokee and Robert Riddle, formerly of Lockport, N. Y., son of Mrs. Mabel Riddle of Boynton Beach, were married Thursday evening, Mar. 12, at the Pahokee First Baptist Church with the Rev. James E.

Poyd, pastor, officiating at the double ring ceremony.

The bride wore a blue linen dress with white accessories and a corsage of pink carnations.

Mrs. Sam Lovell of Belle Glade, sister-in-law of the bride, as matron of honor wore a pink linen dress with white accessories and a corsage of white carnations.

Following the ceremony a reception was held at the home of the bride's mother who was assisted by Mrs. Carmen Salvatore, Jr., Out-of-town guests were Mrs. Betty Clark and daughter, Darlene, and Mrs. Pat Harper and son, Danny, all of Baker, N. Y.

Mr. and Mrs. Riddle will make their home in Pahokee.

Florida was never a land of large plantations as in 1860 less than eighty plantations had over 1000 acres each.
